Early repayment charges (ERC)

During the early repayment charge period, overpayments can be made up to 10% of the outstanding mortgage balance on last anniversary or account open date without incurring an early repayment charge. Overpayment payments that exceed 10% of the outstanding mortgage balance on anniversary or account open date within any contractual year will incur an early repayment charge. This has changed from our previous ERC structure, which allowed an ERC free limit of £1,000 per month.

Mortgages that make a difference - our partnership with youth homelessness charity Centrepoint continues

Platform is the intermediary lender of The Co-operative Bank, the only UK high street bank with a customer led ethical policy. In May 2017 we partnered with Centrepoint to support their vital work through colleague fundraising and by making a donation on behalf of each new mortgage customer. In May 2018 the mortgage charity donation was extended to include product switch/ product transfer customers. **Platform new mortgage customer applications and existing customer product switch applications received from 2nd May 2018 are eligible for a £5 Centrepoint charity donation, on completion of the mortgage or product switch.** Transactions relating to existing mortgages including a further advance, porting of an existing mortgage or change of borrower, are not eligible for the donation at this time. The Bank makes a payment to Centrepoint quarterly, for eligible completions during the previous quarter. The Bank reserves the right to change or withdraw the donation arrangement at any time. Centrepoint is a registered charity in England and Wales, No. 292411.
